Hi Susan:

Re: Post #96988 - \$186,807.00

After review of this item, we are only showing that \$7,098.00 of this claim is valid -- covers the 182 pcs of the JSLRA350K for Receivings through 11/18/08.

The remaining models/qtys- there were no purchases made post; therefore, not entitled to this.

Pls review and revise this claim to \$7,098.00 and we will then be able to process.
